What Palette Studio does

A Shopify embedded app conceived by Mumu Labo to reduce hand-offs between creating product images and descriptions, reviewing them and applying them to a listing. Intended for merchants including apparel and cosmetics.

01 Imagery	02 Copy	03 Wording
Product photos, makeup try-on and custom models.	Titles, descriptions, SEO, tags and ad copy.	Bulk scan and suggestions; human review before applying.

Pricing and availability

Planned monthly pricing (USD, excluding tax): Free \$0 / 10 image generations / 0 models; Pro \$49 / 100 / 3; Studio \$99 / 500 / unlimited models. Image counts refer to image generations. Shopify billing; terms may change at launch.

As of 25 September 2026, the official LP reports App Store resubmission. Public installation is unconfirmed. Generated output needs review against product facts and claims; no compliance or business result is guaranteed.
